PARTICIPATION

Boys & Girls Clubs of Oklahoma County's open door policy allows members to enter the Club at any time during regular Club hours. Members who choose to leave the Club premises on their own will **NOT** be allowed to re-enter the Club on the same day.

Only staff and approved volunteers may enter Club spaces with members unless it is a special event.

PAYMENT AND OUTSTANDING BALANCE

All checks are to be made out to *Boys & Girls Clubs of Oklahoma County*. **A \$35 fee will be placed on all returned checks.** Members may not return to the program until any outstanding balance has been paid, or parents agree to a payment policy and have made the first payment.

CLUB MEMBER MEDICATION POLICY

Parents must submit a written request if their child (ren) must take medication while at the Club. Such written permission is required for both prescription and non-prescription medication, regardless of the length of time the medication is to be taken. Medicine must be presented in it's original properly labeled container, to Club management. The prescription label must show that the medicine has been prescribed for that child. Youth must self-administer and be able to follow written instructions from the child's physician.

TRANSPORTATION

Transportation is available from a limited number of schools during the school year. If your child attends one of these schools, you can enroll them in the transportation program. Please contact the specific Club location for more information.

DROP OFF

Drop off procedures vary site to site. All drop off locations will be clearly marked and members either contact their site via phone, walk or drive to the designated area.

LATE PICK-UP

If a member remains at the Club after closing, staff will call the emergency contact numbers for the member. If no contact can be reached and the member remains at the Club longer than 30 minutes, the member may be considered abandoned and the Boys & Girls Club staff may call the Department of Human Services or the local police department to assist the abandoned child. Late fee charges occur 5 minutes after closing time and are \$1 per minute per child. Members cannot return until payment arrangements are made.

CLOSURES

Boys & Girls Clubs of Oklahoma County will update the message on our Club phone at (405) 521-9292 as well as on BGCOKC social media accounts and the local news to inform parents of our open/closed status.

If child/ren are asked to quarantine, whether, by a doctor or their school district, the child/ren will not be allowed to attend Club until the quarantine is over, and the child is not exhibiting any symptoms. If entire districts close, please keep an eye on BGCOKC social media accounts for program updates. Any time a school closes that BGCOKC has a Club located within the school, the Club will also close.

RELEASE OF A MEMBER

Legal guardians and individuals listed as authorized to pick up will be allowed to leave with members.

Custody Agreements: If there are any special circumstances regarding the custody of a member, please provide the Club with court papers indicating who has permission to pick up your child. The Club cannot deny a parent access to their child without proper documentation

Staff will not release members to anyone who appears to be under the influence of drugs or alcohol. Emergency contacts will be called to transport the youth home.

WEAPONS

- First, immediately call the police and let them know there is a weapon on site. Let the child know the police will do a body search once they get there, so if there are any other weapons, now is the time to tell them. Second, call the parent or guardian to notify them we had to call the police regarding a weapon and that they need to get to BGC of Metro Tulsa as quickly as possible. Third, call your Area Director, who will let the rest of Admin know what is going on.
 - The first offense will result in a month's suspension. During this time, we will ensure that staff and members feel safe for the child to return. Before the member's return, there will need to be a family meeting that includes the Area Director, where we will go over expectations of the member's return. The second offense is immediate expulsion for the year. Any item that imitates a weapon will be confiscated.

If a weapon is found on site, notification to all families will come from the CEO via a letter or memo that site leadership can distribute.
